MARGIN NOTES (plain language, Theron's hand):

[beside line 1:] "Seven years. I have known seven years."

[beside line 2:] "She chose to live. I cannot fault her."

[beside line 4:] "Do not knock. The door has no knocker.
The panel is to the left of the frame."

GM: Players retrieved this from the archive box in Session 2. With Fragments 1+2: lines 1–3 fully decoded, line 4 partially (NO_NOCKER). With all three Fragments: line 4 = NO KNOCKER. Margin notes are always readable.
