

Ashring Ritual Configuration — Year 42

Found in the archive box (Session 2). Shows 10 ritual positions. Position IX is crossed out in a different ink, different hand.

GM: Names at positions I–VIII and X require DC 14 History (old Varenhold script). Position IX is legible in plain modern script — whoever added it wrote it to be read. With all three Notation Key Fragments, players decode the rim notation (Tier 3): "INVERSION PATH: WILLING RELEASE. ALL TEN. EXACT MOMENT. ONE UNWILLING → DESTRUCTIVE."
