

Encoded Journal Page — undated

A single page from a personal journal. Written entirely in Corven's private notation system.

GM: Retrieved from archive box (Session 2). Apply all three Notation Key Fragments to decode.
With Fragments 1+2: ELLAN VOSS / NINTH WITHDREW / ASHRING THIRD LANE / NO _NOC_ER
With all three: NO KNOCKER — players know there is no knocker; the stone panel is visible on arrival at Scene 5.
