

FRAGMENT I — NOTATION KEY (SECTION I OF III)

---

*A single sheet of stiff paper. One side has a table of geometric symbols with letter correspondences, laid out in a careful grid. The spacing is exact, the hand meticulous and controlled. The other side has a single short row of symbols. The paper is old but well-preserved — stored flat for a long time.*

KEY (ONE SIDE):

✦=T   ✧=E   ○=N   ●=L   ◊=I

◆=G   ◇=H   ◌=B   ●=R   ◎=S

[Section II carries the next group of symbols]

CIPHER (OTHER SIDE):

✦   ✧   ✧   ●   ◊   ◆   ◇   ✦   ◊   ◎   ◎   ✦   ◊   ◊   ●   ✧

[No other text on this side. The ink has aged slightly differently from the mapping — as if written on a different occasion.]
