

FRAGMENT III — NOTATION KEY (SECTION III OF III)

---

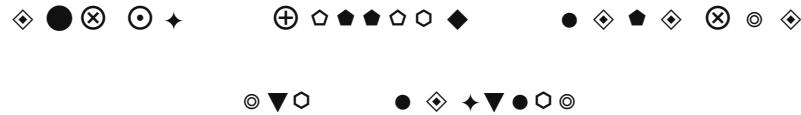

*A single sheet of stiff paper, same format as the others. Header reads "Notation Reference — Section III of III." The paper feels slightly different — lighter, a different stock — as if it came from a different source than the first two. One line on the second side is underlined.*

KEY (ONE SIDE):

●=J ☆=K ●=Q ●=X ◆=Z

[All three sections complete the full notation key]

CIPHER (OTHER SIDE):

NOTE (UNDERLINED, BOTTOM OF SHEET):

| This completes the key. The rest is already written. You only needed to be able to read it.
