

Corvens Invocation Note – spell phrase (found in Ashring door compartment)

Found tucked behind Theron's sealed letter in the stone panel compartment – Scene 5. A small card in Corven's hand. Print and hand to players immediately when they open the compartment.

[A small card – same precise hand as the Notation Fragments. Unsigned. No date.]

The incantation is written in the diagram.
You decoded it.

Speak it at the focal point – all of it, in order,
with willing intent.

The circuit requires both the words and the will.
Neither alone is sufficient.
